Baltimore Dec. 21. 1796

Dear Sir

I received yours of the 6th Inst
and have now to inform you that I
arrived four days since from Baltimore
where I have been detained with Friends, by
which time it was known to every body in
or near Baltimore, that I should return
down by land with him and favour a
settlement. Mr. Carroll left Baltimore
the day before I arrived, but I have
his Assurances, that every disposition
is manifested, to settle the matter
agreeably to our wishes, and to main-
tain the friendship which has subsisted
between the two families. Mr. Carroll
